### Full Translation

Once, a boy lived on Ithaca with his mother. The boy's name was Telemachus. Telemachus' father was a king, but he was away for many years, because he was fighting in a war.

Many evil men were staying in the house of the king. They were always dining, always drinking. They always made the house dirty. The men annoyed Telemachus' mother. Telemachus and his mother were waiting for the king for a long time.

One day, Telemachus spoke to the men with great courage: “You are evil, because you always annoy my mother. Soon my father will return to Ithaca and it will be necessary for you to go away. Goodbye, bad men!”
